

PRAXIS

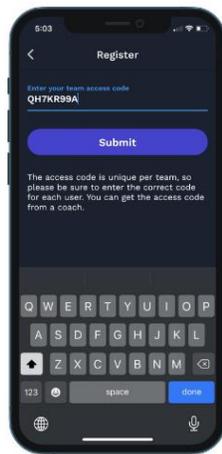

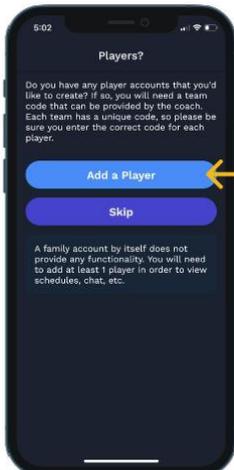

Please download the PRAXIS app and then follow the prompts. The code for the Rec group is A72FMPML

Tap "New around here?" to sign up. On the next page, Tap Family Member (unless you are a coach or manager) to get started.

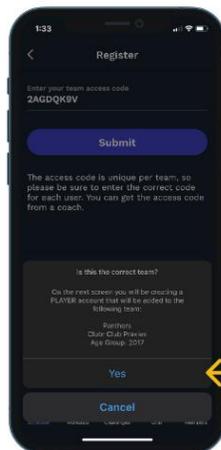

Tap Add a Player to begin setting up accounts for players, these are required for each child.

Enter the code for the player you are going to setup this time and tap submit.

* You can copy and paste into this section; also, all characters are capitalized.

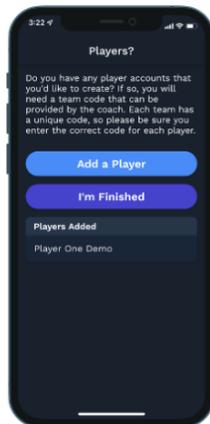

Confirm that the team information presented for the player is correct, tap Yes if so.

Enter the information to set up the player account.

* This process will need to be repeated for all of your children.

After setting up your first player, you will have an option to continue setting up additional players if needed.

Create a parent account to begin – this will be associated with the player accounts

* All information is required, and a photo must be selected
